

# YOUR Fall 2022 STUDENT INVOICE

Your student invoice for the fall semester will be available in "E-Bill" form in June / July. An E-Bill notice will be sent to your College email address. You can also access your account online at [bannerweb.strose.edu](http://bannerweb.strose.edu).

Your student billing is a reflection of your current registration, housing and financial aid status. Since all of these factors are subject to change, your student account balance may change as well. Our payment due date for this Fall 2022 is Thursday, August 4, 2022.

- 1 Student Schedule** - First Year students should note that the schedule listed on the first student invoice is tentative, and may change once placement testing has been completed.
- 2 Semester Charges** - Your semester charges will be itemized, and are based on your current registration and housing status.
- 3 Semester Credits** - Payments received to date will be listed, including your tuition or tuition/room deposit.
- 4 Orientation Fee** - This is a one-time fee charged during your first semester, to cover costs associated with orientation activities.
- 5 Account Balance** - This is your current account balance, prior to any pending financial aid, loans, outside-funded scholarships or scheduled payments.
- 6 Memos and Authorizations** - This is a listing of pending loans, scholarships, monthly payment plans or other aid which we expect to receive on your behalf (please note that pending alternative loans may not be listed).
- 7 Amount Due** - This is the amount that you will need to pay by the payment due date.
